The logo for Metaliks features a stylized white icon of a metal structure, resembling a three-dimensional cube or a complex geometric shape, positioned to the left of the word "METALIKS". The word is written in a bold, white, sans-serif font. The background is a dark, textured surface with a grid of thin white lines and several prominent, horizontal, brownish-gold metallic-looking bands that appear to be part of a larger structure or a decorative element.
